Due to a positive Covid test and based on the CDC's recommendations, the Loudon County Clerk's office will not be able to conduct business in a regular manner July 20th – July 31st. Our counter services, satellite offices and driver's license services will be unavailable. Please take advantage of our website www.tncountyclerk.com to access our online services. On that website you will be able to apply for a business license, renew your car tags, handicap placards, and submit a notary application. We will also continue to process transactions that are mailed in. Please keep in mind these services may take a couple of extra days, but we will process your transaction as soon as possible. You may access forms or submit questions thru our website www.loudoncountyclerk.org. If you need to renew your driver's license or do an address change, please go to www.tn.gov/safety. I appreciate everyone's understanding and I will keep you updated of any changes in this situation.
